

15th Reinforcements 31st Battalion (Embarked at Sydney, NSW, per R.M.S. "ORMONDE", 2nd March, 1918)

RMS Ormonde

The men of the 15th Rfts encountered an out break of measles enroute to Suez. Subsequently some men of these Rfts were isolated in a Segregation Camp at different intervals. This dictated some men embarking on different ships from different ports from Egypt, i.e. some on the 'Ellenga' from Port Tewfik, (on the Suez Canal) and others on 'Indarra' from Alexandria. Although these ships disembarked the troops at Southampton at different dates, the 15th Rfts, came together as a group at 14th Trng Bn, Codford, England.

Again, different groups of men embarked for France at different times and were taken on strength of 31st Battalion on different dates. They were to be the last reinforcements for the Battalion. Several were gassed or suffered shell/ bullet wound in the final action of the Battalion at Bellicourt and Nauroy on 29th/30th Sep 1918.
